(Wansel-Biggs-Gamble)

I must of rehearsed my lines
a thousand times
until I had them memorised
And when I get up the nerve
to tell you the words
just never seem to come out right

If only you knew
how much I do
I do love you
Ooh, If only you knew
how much I do
I do need you

I dream of moments we shared
but you're not there
I'm living in a fantasy
Because you don't even suspect
couldn't probably care less
about the change I'm going through

If only you knew
how much I do
I do love you
Ooh, If only you knew
how much I do
I do need you
