(A. Parker / S. Evans)

Since you've been gone  
I can't go on  
Something keeps worry my mind  
I know it's wrong  
The feelings are so strong  
I just can't get you out of my mind

Still I find myself calling round  
calling, calling, calling, calling  
and it won't stop the feeling though I know it isn't right  
It won't stop me feeling this way

'Til my dreams come true, 'til my dreams come true  
I wanna get next to you, I wanna get next to you  
This time I'll be true, I'll be true  
I wanna get next to you, I wanna get next to you  
and I'll be your love  
if you let me get next to you  
'cause we watch the sun go, we watch the sun go  
we watch the sun go down

Ever since that day  
that you went away  
honey, I've been losing sleep  
I was always tired  
you were always worried  
and it's missing you that's making me weep

Still I find myself calling round  
calling, calling, calling, calling  
and it won't stop the feeling though I know it isn't right  
It won't stop me feeling this way

'Til my dreams come true, 'til my dreams come true  
I wanna get next to you, I wanna get next to you  
This time I'll be true, I'll be true  
I wanna get next to you, I wanna get next to you  
and I'll be your love  
if you let me get next to you

'cause we watch the sun go, we watch the sun go  
we watch the sun go down

Still I find myself calling round  
calling, calling, calling, calling  
and it won't stop the feeling though I know it isn't right  
It won't stop me feeling this way

'Til my dreams come true, 'til my dreams come true  
I wanna get next to you, I wanna get next to you  
This time I'll be true, I'll be true  
I wanna get next to you, I wanna get next to you  
and I'll be your love  
if you let me get next to you  
'cause we watch the sun go, we watch the sun go  
we watch the sun go down
