Hey
Let me come inside
Let me note your mind
Oh, let me get deep inside of you
Don't hold back your dreams
'cause your love ain't what it seems
Please, let me get deep inside of you

Why do you never show me how you feel
In my heart the feeling's so real
You keep it locked up inside
Oh, listen baby, there's nowhere left to hide
Nowhere left to hide

Is your love still strong
Is this where you belong
Oh, let me, let me get close to you
Listen to my thoughts and needs
Now, where is this leading
Please, let me get deep inside of you

Why do you never show me how you feel
In my heart the feeling's so real
You keep it locked up inside
Oh, listen baby, there's nowhere left to hide
Nowhere left to hide

Nowhere left to hide
Time's up, I can't wait any longer
How am I to know, are your feelings getting stronger

Why do you never show me how you feel
In my heart the feeling's so real
You keep it locked up inside
Oh, listen baby, there's nowhere left to hide

No, why do you never show me how you feel
In my heart the feeling's so real
You keep it locked up inside

Oh, listen baby, there's nowhere left to hide

Nowhere

No, no, nowhere left to hide

No, no, no, no

Feeling's so real
