(P. McGlynn / J. Andrews)

So much of your love
I wanted so much of your love
I never thought so much
Wanted so much of your love

Now, seems like the end of a dream
I thought I saw you there
I wanted to reach out and touch

I won't give up on
I don't want to be
I won't give up, I want you here next to me, my love
I won't give up
I wanted so much of your love

Now, seems like we're miles from that day
Never to know what to say
Still haunted by wanting your love

So, never a moment I'd miss
I won't forget your kiss
I flaunted so much of your love

I won't give up on
I don't want to be
I won't give up, I want you here next to me, my love
I won't give up
I wanted so much of your love

I won't give up on
I don't want to be
I won't give up, I want you here next to me, my love
I won't give up
I wanted so much of your love

Now, seems like the end of a dream
I thought I saw you there
I wanted to reach out and touch

I won't give up on
I don't want to be
I won't give up, I want you here next to me, my love
I won't give up
I wanted so much of your love

I won't give up on
I don't want to be
I won't give up, I want you here next to me, my love
I won't give up
I wanted so much of your love
