(N. Stock)

And so you finally moved on  
Well, I put the tears behind me  
but care for strength inside me

I stood by you for far too long  
and I gave you all your freedom  
didn't question you for reason

And oh, now that the love is gone  
life's gonna carry on  
but I won't make the same mistakes again

'Cause I'm gonna be strong without you  
gonna go on without you  
Now I know I can go  
as far as I decide to go  
Gonna be strong without you  
gonna go on without you  
'cause now I'm finally on my feet again

You never missed out on a single chance  
In every situation  
you gave in to temptation

But oh, now that the love is gone  
life's gonna carry on  
but I won't make the same mistakes again

'Cause I'm gonna be strong without you  
gonna go on without you  
Now I know I can go  
as far as I decide to go  
Not going down on my knees  
not gonna beg with you, please  
'cause now I'm finally on my feet again

And if I lose my way  
I won't have you to blame  
'cause I can always start again

But oh, now that the love is gone  
life's gonna carry on  
but I won't make the same mistakes again, again

Gonna be strong without you  
gonna go on without you  
Now I know, now I know I can go, I can go  
as far as I decide to go  
Gonna be strong without you  
gonna go on without you  
'cause now I'm finally on my feet again

Gonna be strong without you  
gonna go on without you  
Now I know I can go  
as far as I decide to go  
Not going down on my knees  
not gonna beg with you, please  
'cause now I'm finally on my feet again  
Gonna be strong without you  
gonna go on without you
