(Gamble-Huff)

When will I see you again
when will we share precious moments
will I have to wait forever
Will I have to suffer (suffer) and wait the whole night
through

When will I see you again
When will our hearts be together
Are we in love, or just friends
Is this the beginning, or is this the end
When will I see you again

[instrumental]

Are we in love, or just friends
Is this the beginning, or is this the end
When will I see you again

When will I see you again
When will I see you again
