(Where do we go from here, where do we go from here)

Please tell me

(Where do we go from here)

Tell me now

(Where do we go from here)

Ooh where do we go

We had good times when our love was strong
you can't deny

Our love broke down, somewhere down the line
and I don't know why, listen baby

It seems so strange, not to have you here
and I just don't know what to do, yeah

There ain't no doubt I still love you

If I come back can we make it,

if I stay away my mind can't take it

no no no no no no

*(Where do we go from here)

Please tell me now

(Where do we go from here, please tell me)

Tell me where

(Where do we go from here)

I wanna know

(Where do we go from here)

Ooh where do we go

You seem to think that I'm happy now

Ooh how wrong you are

I spend my time trying to think of ways

To be where you are, listen baby

The same old things, that tore us apart
are still running around in my mind, yeah
It's not too late for a brand new start
we've got to change our way of thinking

we've got to spend more time with each other

Ooh ooh ooh
