Man listen rule number one never bring your girl to the club bruh you blink twice she'll be gone you know what I'm on iohhhwww.

(1st verse)

It's mr steal your girlfriend lady kidnapper she old news now tho yea I been had her you didn't know she mess with rappers with that mean swagger ole slow boy little weak lagger a century ahead of you guys yea I been passed ya see me swaggin through the club cold mink sweater if I catch her looking ima bag her put them digits in my telephone say cheese for the camera tryna leave the club with two broads tia and tamera mowry this greygoose got me feeling drowsy walking like I'm drunk uh loudpack skunk uh got your girl looking like she want something don't handcuff her chicks come a dime a dozen better hide your sisters nieces and all your lady cousins it's nothing twiinciity in your city yeah we stunting she acting like she don't wont me babygirl stop fronting.

(Chours)

When we all up in your town better cuff your chick
Never leave your girl around better cuff your chick
She heard how I get it in better cuff your chick
It's mr take your girlfriend better cuff your chick (X2)

(2nd verse)

Fresh in the building just got my hair cut pissin on you boys I don't need to wear a pamper oh this your girlfriend well I don't give a damn bruh better walk away cuz you don't want that ana I just talk to her and she love my country grammar we dancing and I can tell that gushy getting damper better hide your wife yeah I might just snatch her bedroom freak and I'm known to act a panda fall off in your chick going dumb mc hammer better ask brittany cindy lyndsey amanda too hot for tv gone and change the channel love them caramel girls from the bama atlanta try to get her number turned into a epic failure walking round mad you a puss like sylvester been pulling crows but I never

been a bragger royal blue prince call me the coochie napper.

(Chours)

When we all up in your town better cuff your chick
Never leave your girl around better cuff your chick
She heard how I get it in better cuff your chick
It's mr take your girlfriend better cuff your chick (X2)

(3rd verse)

So why do they be cuffin it aint about nothing don't
spend your paycheck on a chick that can't be trusted
cuz if she's watching me guarantee she's up to
something the bathroom trips are really all about her
stunting tryan to get close enough to hit me with her
number then back to your table right away you cuffing
so stop all the screaming homeboy cuz your fronting
she's tryan to break free so wont you let her move
something,

I see you watching me so want you come and taste it
slide away from him cuz he's lame and wasted come
and ride with me we'll go back to my playcrib we can do
it nasty girl forget about the basics the night is still
young I can take you home or you can stay the night
cuz my magicstick strong so check your game pimp
cuz her minds been blown if you uncuff your chick I'll
guarantee she'll be gone it's on.

(Chours)

When we all up in your town better cuff your chick
Never leave your girl around better cuff your chick
She heard how I get it in better cuff your chick
It's mr take your girlfriend better cuff your chick (X2)
