"Faithful Father"

Once in a while my heart gets lonely
Once in a while the night is blue
Time and again. You are the only One
I can hold on to
There never is a moment when
You leave my side
I felt Your arms around me
Every time I cried
All my life
You have been a faithful Father
I believe Your word is true
You have been a faithful Father
I will follow you
There was a fear inside my anger
I wasn't sure You were there
Great love would prove
You are the answer to
Any honest prayer
The vessel that is empty
You will come and fill
You promise to complete me and
I know you will
I know you will
Wherever You lead me
You the passion that freed me
You whenever You call
Whatever You say
Once in a while my heart gets lonely
Once in a while the night is blue
Time and again You are the only One
