I be on that fly biz on that g5 biz jets maiane paper planes money over everything I be on that fly biz on that g5 biz jets maine paper planes money over everything,

I be on that fly I I I be on that fly biz I be on that fly I I I be on that fly biz I be on that fly I I I be on that fly biz jets maine paper planes money over everything.

(2nd verse)

I stay up on my fly biz like a superhero I'm buzz light years way ahead of you negros astronaut swag sit and watch me on your vizo I be up on the clouds super high on this indo living like the jetsons kush the same color as dino she said she want a fly dude na I aint for free though it's money over everything accounts full of zeros g5 flying round the earth feeling like nino first class pilot biz chickens taking photos v neck white tee chucks with no polo fitted on doobie rolled yeah I'm on my dolo top flight plane biz with a cup of promo jet life mofos we be going loko make your girl follow untill she tell me no more homie I be cooling in the air on the low though batman on these trolls smoking on that good dro.

(Chorus)

I be on that fly biz on that g5 biz jets maiane paper planes money over everything I be on that fly biz on that g5 biz jets maine paper planes money over everything,

I be on that fly I I I be on that fly biz I be on that fly I I I be on that fly biz I be on that fly I I I be on that fly biz jets maine paper planes money over everything.

(2nd verse)

Clear the jet airways I'm bout to fly it in I'm killin em on my fly biz I'm divin in aint no player flyer I must be the flyest then I'm paper plane high smoking on that

nitrogen people hating on me tryna shoot me down real  
quick probably cuz I'm with they chick on that high time  
biz the paper planes burning the bottles pouring in  
girlies on my tip cuz I'm on that fly biz I'm on that high  
biz that g5 biz young pilot girl I'm the one to fly with it's  
money over everything I'm tryna get mines I travel to  
the money like delta airlines I don't do the cheap flights  
like expedia catch me in the air if you wanna see me  
bruh cuz I'm fly in the sky private jet flying I been on  
that fly biz yall just now trying.

(Chorus)

I be on that fly biz on that g5 biz jets maiane paper  
planes money over everything I be on that fly biz on  
that g5 biz jets maine paper planes money over  
everything,

I be on that fly I I I be on that fly biz I be on that fly I I I  
be on that fly biz I be on that fly I I I be on that fly biz  
jets maine paper planes money over everything.

(Third verse)

All I see is money dollars on my eye lids and all she  
wanna do is ride like I'm driving I'm on that fly biz all I  
know is shining big diamonds on me flying on em like a  
pilot married to the game now they throw the rice on  
me whites on me the black chickens bite on me  
puertorican peacans throw the ice on me cuz I be  
getting fly on em like a kite on me I be on that fly biz  
yall just get pretty king of the jungle killing it with  
twiinciity it get gritty if we talking bout them big benji's  
man I be riding with a diva yall with ms piggy fly biz I'm  
on em like a airplane man I be dropping bombs on em  
like a air raid you already know it's money over  
everything when I be on the stage all they do is stare  
maiane.

(Chorus)

I be on that fly biz on that g5 biz jets maiane paper  
planes money over everything I be on that fly biz on  
that g5 biz jets maine paper planes money over  
everything,

I be on that fly I I I be on that fly biz I be on that fly I I I  
be on that fly biz I be on that fly I I I be on that fly biz  
jets maine paper planes money over everything.

I be on that fly biz we be on that fly biz twiinciity be the  
flyest (x2)
