Lord whose Word began creation
We will worship You
Sovereign King of every nation
We will worship You
Until the end of endless time
Live to fulfill Your true design
Chorus:
For Eternity
We will worship You
Lord of life and love we seek Your face
And we stand here only by Your grace
Lest the rocks cry out
We will sing Your praise
We will shout the Name that set us free
For Eternity
Cornerstone of our foundation
We will worship You
Giver of the one salvation
We will worship You
Until the end of endless days
Declare the glory of Your ways
Chorus
