Girl you something like a model (x7)

(Chorus)

Cuz she something like a model the way she walk and
pass she flaunt it like she got it in the bag cuz she
something like a model the way she look and act you
know she got that pretty girl swag cuz she something
like a model the way she carry that got me like oh she
bad cuz she something like a model girl you something
like a model yeah she something like a model.

(1st verse)

Rip the runway model addicted to fashion victoria
secret eeww she got me gasping what's your fantasy I
can be your satisfaction americas topmodel lights
camera action body shaped like a coca cola so classic
yeah she the baddest miss beauty pageant up and off
the stage like she in traffic the new barbie type cover
girl gone plastic and yeah she killin all the pros closed
caskets chickens begging for fame she been star
status put her out she on fire nicotine patches and she
getting to that green call her miss letuce all up in the
magazines sports illustrated she so futuristic and you
so outdated lingerie on but I rather see her naked my
playboy bunny lets get xrated.

(Chorus)

Cuz she something like a model the way she walk and
pass she flaunt it like she got it in the bag cuz she
something like a model the way she look and act you
know she got that pretty girl swag cuz she something
like a model the way she carry that got me like oh she
bad cuz she something like a model girl you something
like a model yeah she something like a model.

(2nd verse)

Shorty shorty shorty you so bad you so bad walking
around with a attitude like you mad I'm just saying the
way you looking got me like damn I'm hypnotized by
your hips and thighs pulling out my cam americas next
top model put her on a stand she got me in a daze man

they don't understand cuz she's bad she's something
that I never had I would drop them stacks on her tell
her throw it in the bag cuz she's halle berry bad yeah
she's got that top model swag the way she walk and
pass got class like kim dash feels like I'm dreaming
shawty looking like naomi she aint with that barbie click
cuz them girs phonie tyra banks chick she aint messing
with a player high class supermodel barbie doll killer
she killing the compotition they aint messing with her
better come with stacks if your tryan to get her.

(Chorus)

Cuz she something like a model the way she walk and
pass she flaunt it like she got it in the bag cuz she
something like a model the way she look and act you
know she got that pretty girl swag cuz she something
like a model the way she carry that got me like oh she
bad cuz she something like a model girl you something
like a model yeah she something like a model.
