We've begun the out line of being disturbed by the  
desire to kill one another  
A torn black dress, desire colors my field of vision

(Right off) Feel getting higher,  
(Suck blood)

Before I know it, I'm wandering around in a dark room  
with bated breath  
I trace along the body with my lips, bleeding you dry

I can't hold back the emotion welling up  
In my heart  
Sexy madness is digging in it's claws

Humming to myself, I bite and tear flesh  
As I laugh at an innocent woman, I make a sport of  
killing her

I've got ecstasy, But I feel the tear is falling down  
I've got ecstasy, But I feel the tear is falling down  
I've got ecstasy, But I feel the tear is falling down  
Oh, yes I have got ecstasy, I'm seized with it

(No no no) A tainted pleasure burns itself into my mind  
Frantically, I vomit out my own hot blood

I've gotta slap your face on and on  
Till down on your knees  
A writhing, sexy mad woman

I hack up her wrist, and gently smile  
A mad woman hangs on the wall, hanging on the wall

I've got ecstasy, But I feel the tear is falling down  
I've got ecstasy, But I feel the tear is falling down  
I've got ecstasy, But I feel the tear is falling down  
Oh, yes I have got ecstasy,  
I'm seized with it  
Sadistic desire

(The sadness crosses my mind)

Ah, I let the whirling illusions dance  
Toying with them, (He's a cold) blooded beast  
I show my true colors with my lingering desire  
Shedding tears, tear my body up

(Sadistic desire)

I've got ecstasy, But I feel the tear is falling down  
I've got ecstasy, But I feel the tear is falling down  
I've got ecstasy, But I feel the tear is falling down  
Oh, yes I have got ecstasy, I'm seized with it

Sadistic desire

(Right off, Feel getting higher, Suck blood)
