Lucy in the sky
I'm whisky frisky
Lady Jane, Marry Jane
Drive me rocked out

No pain, No delight
Get me dry high
Number 24
I need X

Stand up! Fuck up!
Show no mercy Like a lunacy

Kick off! Fuck off!
I'm getting in the count down

Marry Marry Kiss me Marry
Why do you have to be ripe?

Give me Give me Give me rainy dreams
'Til they kill me away (Lights up)

Slash Slash Let me slash
Boredom Tasteless life

Get me Get me Get me out of the world
'cause I'm crying for rainy roses
Lucy in the sky
Get you up right
Crime of visual shock
You are X

Stand up! Fuck up!
Show no mercy Like my jealousy
Kick off! Fuck off!
I'm getting in the count down

Marry Marry Kiss me hurry
Why do you have to be ripe?

Give me Give me Give me rainy dreams

'Til they kill me away (lights up)
Marry Marry Kill me Marry
Can't you set me free

Lady Lady Are you ready to go?
Why do you have to be laying down?
