Stayed in bed all morning just to pass the time
There's something wrong here There can be no denying
One of us is changing Or maybe we've just stopped trying

And it's too late baby, now it's too late
Though we really did try to make it #
Something inside has died and I can't hide And I just can't fake it

It used to be so easy living here with you
You were light and breezy And I knew just what to do
Now you look so unhappy And I feel like a fool

And it's too late baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide it And I just can't fake it

There'll be good times again for me and you
But we just can't stay together Don't you feel it too
Still I'm glad for what we had And how I once loved you

And it's too late baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide it I just can't fake it Don't you know that I... I just can't
fake it Oh it's too late my baby Too late my baby You know It's too late my baby
