You seem sadder than before
But you're not that far away from home
Welcome to,
You seem lonelier than before
Take your time cycle through your phone,
I know you,
Well we shouldn't be saving time
Spend it now
Well we shouldn't be saving time
Hold your brow
I seem sadder than before
It's not cause I miss you not at all
I'm a liar
I seem sadder than before
But you're not that far away from home
OoOoo
We shouldn't be wasting time
Spend it now
Well we shouldn't be saving time
Hold your brow
Well we shouldn't be wasting time
Spend it now
Well we shouldn't be saving time
Hold your brow
Right now
