Hey there little honey won't you groove  
I've been trying all night to dance with you  
Hey there little lonely won't you stay  
I said "I would rather die than feel this pain"  
You said "I know I feel very much the same  
But I am afraid that I don't know, knowing is not my  
thing"  
But I would like to dance with you  
Awkwardly in haze  
To this little tune  
It goes...  
I said  
Hey there little honey won't you groove  
I've been trying all night to dance with you  
Hey there little lonely won't you stay  
I said "I would rather die than feel this pain"  
You said "I know I feel very much the same  
But I am afraid that I don't know, knowing is not my  
thing."  
But I'm sure, I want to be with you  
Awkwardly in haze  
To our little tune  
It goes...  
Well if you are sure  
Well I know I'm sure.
