Ah, ah, ah, oh, oh, oh, oh, oh, ah  
I feel my body

I say my body's, baby, cravin' your attention  
I feel it deep within me  
You see my body language scream in your direction  
Come on and set me free

Aha, aha, I want you, baby, for the night  
Aha, aha, so satisfy my appetite  
(Satisfaction, satisfaction)  
Set me free

The way I'm walkin' tells you, baby, you should move in  
And I don't know what it is  
Don't keep me waitin' cause you'll miss out, you'll be losin'  
I know you know what this is

Aha, aha, I want you till the morning light  
Aha, aha, just satisfy my appetite  
Aha, aha, I want you, baby, for a night  
Oh yeah, aha, I want you now  
(I want you now, I need you now, I want you now)

Who's to know, one day what might become of us  
Sin or not, come on and hit the spot  
Tell me right now

Aha, aha, I want you till the morning light  
Aha, aha, so satisfy my appetite  
Aha, aha, I want you, baby, for the night  
Oh yeah, aha, I want you now

Aha, aha, I want you till the morning light  
Aha, aha, just satisfy my appetite  
Aha, aha, I want you, baby, for the night

Oh yeah, aha, I want you now

Aha, aha, I want you till the morning light

Aha, aha, so satisfy my appetite

Aha, aha, I want you, baby, for the night

Oh yeah, aha, I want you now
