She said 'I'll throw myself away'
'They're just photos after all'
I can't make you hang around
I can't wash you off my skin
Outside the frame is what we're leavin' out
You won't remember
Anyway-
CH:
I can go with the flow
But don't say it doesn't matter anymore
I can go with the flow
You believe it in your head?

VS2:

It's so safe to play along
Little soldiers in a row
Fallin' in and out of love
Something sweet to throw away
But I want something good to die for
To make it beautiful to live
I want a new mistake
Loose is more than hesitate
You believe it in your head

CH:

I can go with the flow
But don't say it doesn't matter anymore
I can go with the flow
