You are the Lord, the famous One, famous One
Great is Your name in all the earth
The Heaven's declare, You're glorious, glorious
Great is Your fame beyond the earth

And for all You've done and yet to do
With every breath, I'm praising You
Desire of nations and every heart
You alone are God, You alone are God

You are the Lord, the famous One, famous One
Great is Your name in all the earth
The Heaven's declare, You're glorious, glorious
Great is Your fame beyond the earth

The morning star is shining through
And every eye is watching You
Revealed by nature and miracles
You are beautiful, You are beautiful

The morning star is shining through
And every eye is watching You
Revealed by nature and miracles
You are beautiful, You are beautiful

You are the Lord, the famous One, famous One
Great is Your name in all the earth
The Heaven's declare, You're glorious, glorious
Great is Your fame beyond the earth
Great is Your fame

You are the Lord, the famous One, famous One
Great is Your name in all the earth
The Heaven's declare, You're glorious, glorious
Great is Your fame beyond the earth

You are the Lord, the famous One, the famous One
