Many mighty rivers have I crossed
Many barren deserts have I seen
But still my heart beats strong for You
Oh Lord, yeah
For You have been my shelter
And all of my need, yeah yeah

And I have come to worship You
Oh, and I have come to worship You

A willing soul and a thankful heart
To find a holy passion just for You
And the turn away from the things
That break your heart
And live a life of sacrifice
Just for you, oh

And I have come to worship You
Oh, and I have come to worship You

For only You are worthy
Only You are worthy
Only You are worthy
Of the praise this heart brings, only You

Only You are worthy
Only You are worthy
Only You are worthy
Of the praise this heart brings, this heart brings

Oh, and I have come to worship You
Oh, and I have come to worship You

Oh, and I have come to worship You
Oh, and I have come to worship You
