In the secret
In the quiet place
In the stillness
You are there
In the secret
In the quiet hour I wait only for You
'Cause, I want to know You more

I want to know You
I want to hear Your voice
I want to know You more
I want to touch You
I want to see Your face
I want to know You more

I am reaching for the highest goal
That I might receive the prize
Pressing onward
Pushing every hindrance aside
Out of my way
'Cause, I want to know you more
More and more

I want to know You
I want to hear Your voice
I want to know You more
More and more, Lord
I want to touch You
I want to see Your face
I want to know You more

I am reaching for the highest goal
That I might receive the prize
Pressing onward
Pushing every hindrance aside
Out of my way
'Cause, I want to know you more
More and more

I want to know You
I want to hear Your voice
I want to know You more

More and more, Lord
I want to touch You
I want to see Your face
I want to know You more

I want to know You
I want to hear Your voice
I want to know You more
I want to touch You
I want to see Your face
I want to know You more

I want to know You
I want to hear Your voice
I want to know You more
And more
I want to touch You
I want to see Your face
I want to know You more

I want to know You
I want to hear Your voice
I want to know You more
More and more, Lord
I want to touch You
I want to see Your face
I want to know You more

I wanna know You
I want to know you
I want to know you more
I want to touch, touch You
I want to see Your face
I want to know You more
More, more, more
Yeah
