Song: I will sing

Lord you seem so far away  
A million miles or more it feels today  
Though I haven't lost my faith  
I must confess right now it's hard  
For me to pray?  
But I don't know what to do  
And I don't what to say  
But as you give the grace  
With all that's in my heart

I will sing, I will praise  
Even in my darkest hour  
With the sorrow and the pain  
I will sing, I praise  
Lift my hands to honour you  
Because you word is true  
I will sing

Lord it's hard for me to see all the  
Thoughts and plans you have for me  
But I will put trust in you knowing  
That you died to set me free  
But I don't know what to start  
And I don't know where to start  
But as you give the grace  
With all that's in my heart
