While you looking bugged playin the wall  
We're trying to cave in the floor

Even the biggest dogs acknowledge  
Payin how much? We obviously gain dollars  
Let's mananas without your everyday (?)  
We make ballers take cowards of the top give me eight  
hours  
I turn your powder into rocks, check the scenery  
Glass table, mad cold Kanedabree, and bring a key  
When you hang with me everything is free  
It's my treat, my suite all expenses paid  
All my friends can stay, cause this break is on  
emancipate  
Nuthin more, it's on me butt galore, and head nut your
