And I will give You all my worship
I will give You all my praise
For You alone I long to worship
You alone are worthy of my praise

And I will worship
With all of my heart
I will praise You
With all of my strength
All my strength

And I will bow down
And hail You as king
I will love You
I'll give You everything
Everything

I will give You all my worship
And I will give You all my praise
You alone I long to worship
You alone are worthy of my praise

And I will worship
With all of my heart
I will serve You
With all of my strength
All my strength

And I will bow down
And hail You as king
I will trust You
Well, I'll give You everything
Everything

I will give You all my worship
And I will give You all my praise
You alone I long to worship
You alone are worthy of my praise

And I will give You all my worship
And I will give You all my praise
You alone I long to worship

You alone are worthy of my praise

You are worthy all alone
I sing to You a new song from our hearts
A song from my heart straight to You
From our hearts to Yours

We worship Jesus
We love You Father
We worship Jesus
We love You Father

We worship Jesus
We love You Father
We worship Jesus
We love You Father

Yeah, I wanna give,
I wanna give you all my praise
I wanna give, I wanna give
I wanna give you all the praise
I wanna give I wanna give
I wanna give you all the praise
