Praise Him, all your shining stars
Praise the Lord in all the earth
Every creature near and far
Praise the Lord

Stormy winds and clouds of white
Valley's clothed in splendor
Burning sun and moonlit light
Praise the Lord

Heaven and all of the universe
Proclaim Your power and Your worth, Hallelujah
Your love goes on forever
God of life and Lord of love
Who was and is and is to come, Hallelujah
Your love goes on forever

All the creatures of the sea
And children of the Savior
Yearning hearts and ocean is deep
Praise the Lord

For the mercy in His hands
For the healing in His scars
For the grace in His commands
Praise the Lord

Heaven and all of the universe
Proclaim Your power and Your worth, Hallelujah
Your love goes on forever
God of life and Lord of love
Who was and is and is to come, Hallelujah
Your love goes on forever

For all You've done and Your infinite love
We lift our hearts to worship for Your sweet grace
We lift Your name
Let Your praise go on and on forever more

For the mercy in His hands
For the healing in His scars
For the grace in His commands

Praise the Lord

Heaven and all of the universe
Proclaim Your power and Your worth, Hallelujah
Your love goes on forever
God of life and Lord of love
Who was and is and is to come, Hallelujah
Your love goes on forever
