E/Parthenon Huxley)  
She had the eyes of someone older  
I have the eyes that wander 'round  
I couldn't see what really mattered  
Caught hell from my boss  
Don't care about my job  
Caught a cold from the rain  
Don't care if I'm cold  
Played every record that I own today  
But the only thing I care about got away  
She was a walking work of art  
I am a broken wind-up toy  
I thought I knew what really mattered  
Got a flat on the road  
Don't care about my car  
Lost 26 bucks  
Don't care about my rent  
Caught every episode on TV today  
But the only thing I care about got away  
She had a brilliant future  
I have a past  
I have my memories  
But they're fading fast  
Caught hell from my boss  
Don't care about my job  
Caught a cold from the rain  
Don't care if I'm cold  
Played every record that I own today  
But the only thing I care about got away  
The only thing I care about got away
