Feel alone  
All I do is say  
I alone can be your kind

This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
When I feel awake

Close your eyes  
Everything I've seen  
I this time can be your mind

This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
Then I feel awake

Let God cry  
Then I'll wash it away  
Let God cry  
Then I'll wash it away

Dry your eyes  
Everything must change  
I this time can be your life

This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
Then I feel awake

Let God cry  
Then I'll wash it away  
Let God cry

Then I'll wash it away

This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
I can feel it come back home  
So home

Please  
Let  
My  
My son

This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
Then I feel awake

This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
This is not the same  
I am not the same

Let God cry  
Then I'll wash it away  
Let God cry  
Then I'll wash it away

This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
I can feel it come back home  
So home
