I've got nothing left for you to take away
I know ya blame me for everytime you walked away
So what ya hate me and everything I seem to do
So look back don't turn away
It was my face that you were lying to
And in my life you can find everything ya separate
And in my life you can find everything ya wanna take
away

I got nothin
I got nothin
I got nothin
I got nothin
I got nothin
I got nothin

So what its not the same every word out your mouth is
shit
So look back dont turn away
I'm sick, I'm through, and I'm fed up with this
And in my life you can find everything ya separate
And in my life you can find evrything you wanna take
away

I got nothin
I got nothin
I got nothin
I got nothin
I got nothin
I got nothin

You saw the door as everything ya separate
I know
I know
You give what you take away
So what you hate me and everything I seem to do
I know ya blame me for everytime I walk out on you

I've got nothing

I got nothin

I got nothin
I got nothin
I got nothin
I got nothin
I got nothin
