It would be nice to see your hair from you again
I sure miss knowing what you're up to these days
And not a single day has past that I haven't thought of
you
Since we split up and went our separate ways

Sometimes I think what we had was a total lost
But I know I've changed more than I'll ever see
If I learned anything at all
I learned to never let another girl mean as much as I let
you to me
Cause I'm so tired of being bent on never letting go
I'm so tired of being bent on never letting go
The pain that should've stopped by know
I choked
Cause I'm so tired
