White girls wanna do coke, black girls all they wanna
smoke
Asian hoes like to drink sake,
My Spanish bitch wanna pop a molly
My top 10 bitches wear Chanel
I hate bitches wearing fake nails
Dumb bitches think I can't tell
She got but tats on that's a fail

Grey stone girls all tits, them other hoes can't get in
Hunned bottles every weekend
Bitch on drugs speaking
My cabana, my cabana, my cabana
How many girls I can fit in my cabana
My cabana, my cabana, my cabana
How many hoes, hoes, yeah

Bitch say she playing with kim
Security wouldn't let him in
I came in an all white benz
With a nice set of bad yellow twins
Rolling kush up in the club
Tell security shut the fuck up!
Cause the party ain't shit without drugs
Everybody over here fucked up
The bitch in the club she fine
I fucked her in the car outside
She'll do anything for the dollar signs
Chase these dame hoes just like 5's
My cabana, my cabana, my cabana
How many girls I can fit in my cabana
My cabana, my cabana, my cabana
How many hoes, hoes, yeah

Dollar sign, dollar sign, dollar.
