[Kim]

There's something in the air there

Makes you go insane

Brings you back to me

It's been so long

All that I have to do

Is live along

It's coming coming down

Over me

Do you want to see

The explosions in my eye

Do you want to see

The reflection of

How we used to be

Beauty lies

In the eyes of anothers dreams

Beauty lies

Lost in anothers dream

It's coming coming down

Over me

Do you want to see

The explosions in my eye

Do you want to see

The reflection of

How it used to be

Hey baby

Hey sweetheart

Hey fox come here

Hey beautiful

Come here sugar
