Why did you want me to be there?  
Yesterday you changed my destiny.  
Controlled by the moon.  
If I would have known, I would have been there  
For you, my baby, for you.

[Chorus:]

Black and blue, I bled for you.  
Still better tell me what to do.  
It's a dedication with a human heart.  
You dragged me down for one last time,  
We'll I'll be yours and you'll be mine.  
But after sunrise, I'll turn to stone.

My proposition is unconditional  
And it ends tonight.  
Need a body to explore.  
I tried to keep my cool but your frozen skin is  
Magnetic to me.  
Hold on.

[Chorus:]

Black and blue, I bled for you.  
Still better tell me what to do.  
It's a dedication with a human heart.  
You dragged me down for one last time,  
We'll I'll be yours and you'll be mine.  
But after sunrise, I'll turn to stone.  
Yeah, yeah.

And now, I'm caught in a web,  
Visions in my head.  
Truth is calling me, I'm searching for myself.  
And now, I'm caught in a web,  
Visions in my head.  
Truth is calling me, I'm searching for myself.  
Let go.

[Chorus:]

Black and blue, I bled for you.  
Still better tell me what to do.  
It's a dedication with a human heart.

You dragged me down for one last time,  
We'll I'll be yours and you'll be mine.  
But after sunrise, I'll turn to stone.

Black and blue, I bled for you.  
Still better tell me what to do.  
It's a dedication with a human heart.  
You dragged me down for one last time,  
We'll I'll be yours and you'll be mine.  
But after sunrise, I'll turn to stone.  
But after sunrise...  
But after sunrise...
