1988, Fast 'N' Bulbous - A Tribute To Captain Beefheart,
Imaginary Records
(Illusion 002)
Notes: Captain Beefheart cover

[Lee]
Me to you to me
Thunderbolts caught easily
Shouting truth peacefully
Electricity

(turn it up)

High voltage man kids his night to bring the light to
those who need-
To hide their shadow deep
Though it's too bright find the light I know that friends
don't mind-
Just how you glow
Midnight cowboys steers in black hit the dark road
without a map to free
Seek electricity seek electricity
Midnight cowboys steers in black hit the dark road
without a map to free
Seek electricity seek electricity

Lighthouse beacon straight ahead straight ahead
across black sea to bring
Seeking electricity

High voltage man kids his night to bring the light to
those who need-
To hide their shadow deep
You are a shallow deed
High voltage man kids his night to bring the light to
those who need-
To hide their insanity
You are insanity

Seek electricity seek electricity seek electricity seek
electricity-

Seek electricity seek electricity seek electricity
Seek electricity seek electricity

Electricity
