Here I am, licking my wounds once again  
Why am I, trapped in a replay of yesterday  
The imprints of you will all be burned  
And I cross my heart in hope you'll never return

I love myself for hating you...  
And I can't remember what meant so much to me?

IF YOU GAVE ME THE POWER TO TURN BACK TIME  
TO SAVE MY CORRUPTED HEART  
I WOULD SHAPE IT THE WAY IT WAS MEANT TO BE  
I WOULD NEVER KNOW YOU AND YOU WOULD NEVER  
KNOW ME

I'll forever be what I am...  
A freelancer, never be duped by your scam  
Have fun extracting any love from my heart  
And Godspeed passenger, on my train of pain which  
will soon depart
