Finally we are, we are even in the betrayal department
In fact I think you win, I think you win
About time you aired out your dirty laundry
I guess the question was more
powerful than the answer

Take all you want from me
Strip me to my very soul
But bare in mind that I will always keep fighting you
So I gaze towards the sky
Doubt that's where I'm going when I die
But it doesn't matter in the end
It doesn't matter

PIECE BY PIECE I START TO RECREATE
WHAT USED TO BE ME
A PUZZLE WITH A THOUSAND SHAPES
WHICH DONT SEEM TO FIT
GUESS SOME PARTS ARE MISSING
AND SIDES ARE TORN
BUT EVENTUALLY
A PICTURE WILL BE BORN

Took a look inside of you
And found a darker place than my mind
That's good to know, That's good to know
I'll risk some emotions to slip through the
gatekeepers of my mind just to project a human
illusion

PIECE BY PIECE I START TO RECREATE
WHAT USED TO BE ME
A PUZZLE WITH A THOUSAND SHAPES
WHICH DONT SEEM TO FIT
GUESS SOME PARTS ARE MISSING
AND SIDES ARE TORN
BUT EVENTUALLY
A PICTURE WILL BE BORN

If I can't pull myself together, I'm gonna tear myself
apart

To vanquish all these demons will take time
To banish all your devils will take time"

Take all you want from me
Strip me to my very soul
But bare in mind that I will always keep fighting you
So I gaze towards the sky
Doubt that's where I'm going when I die
But it doesn't matter in the end
It doesn't matter

PIECE BY PIECE I START TO RECREATE
WHAT USED TO BE ME
A PUZZLE WITH A THOUSAND SHAPES
WHICH DONT SEEM TO FIT
GUESS SOME PARTS ARE MISSING
AND SIDES ARE TORN
BUT EVENTUALLY
A PICTURE WILL BE BORN

PIECE BY PIECE I START TO RECREATE
WHAT USED TO BE ME
A PUZZLE WITH A THOUSAND SHAPES
WHICH DONT SEEM TO FIT
GUESS SOME PARTS ARE MISSING
AND SIDES ARE TORN
BUT EVENTUALLY
A PICTURE WILL BE BORN
