(One, two, three, Go!)
I'm sick, sick of being an extra in my own life
A king, a ruler behind an exterior facade
For the longest time, my endgame was certain and I
Thought I knew all the answers, but now they are lost in
me
You own all the skeleton keys to my mind
So why don't you
Let me, let me in on some entry codes of yours
What shall I do?
Just place your trust in me

IF YOU CAN FIND IT IN YOUR HEART
LET ME BE YOUR HAVEN
YOU'RE THE REASON WHY MY WORLD KEEPS TURN'N
IF YOU CAN FIND IT IN YOUR HEART
WILL YOU UNTIE MY HANDS?
FELLS LIKE ALL I KNOW I'm NOW UNLEARNING

To win, win the peace, you must first fight the war (fight
the war)
Don't you dare to bracket me with the fools of
yesterday
I'll be your guardian and take the flak for you
A golem of protection, your sanctuary in the storm
You own all the skeleton keys to my mind
So why don't you
Let me, let me in on some entry codes of yours
What shall I do?
Just place your trust in me

IF YOU CAN FIND IT IN YOUR HEART
LET ME BE YOUR HAVEN
YOU'RE THE REASON WHY MY WORLD KEEPS TURN'N
IF YOU CAN FIND IT IN YOUR HEART
WILL YOU UNTIE MY HANDS?
FELLS LIKE ALL I KNOW I'm NOW UNLEARNING

Even if you lay next to me (Even if you lay next to me)
We're divided by a maze (We're divided by a maze)
But I will find the way (But I will find the way)

And get inside your head
I'll end your suffering
I'll end your suffering

You own all the skeleton keys to my mind
So why don't you
Let me, let me in on some entry codes of yours
So...
Just place your trust in me
Just place your trust in me
Just place your trust in me
Just place your trust in me

IF YOU CAN FIND IT IN YOUR HEART
LET ME BE YOUR HAVEN
YOU'RE THE REASON WHY MY WORLD KEEPS TURN'N
IF YOU CAN FIND IT IN YOUR HEART
WILL YOU UNTIE MY HANDS?
FELLS LIKE ALL I KNOW I'm NOW UNLEARNING

IF YOU CAN FIND IT IN YOUR HEART
LET ME BE YOUR HAVEN
YOU'RE THE REASON WHY MY WORLD KEEPS TURN'N
IF YOU CAN FIND IT IN YOUR HEART
WILL YOU UNTIE MY HANDS?
FELLS LIKE ALL I KNOW I'm NOW UNLEARNING

If you can find it in your heart
If you can find it in your heart
You're the reason why my world keeps turning
