I don't wanna walk around with you
I don't wanna walk around with you
I don't wanna walk around with you
So why you wanna walk around with me?
I don't wanna walk around with you
I don't wanna walk around with you
I don't wanna walk around with you
I don't wanna walk around with you
I don't wanna walk around with you
So why you wanna walk around with me?
I don't wanna walk around with you
I don't wanna walk around with you
I don't wanna walk around with you
I don't wanna walk around with you
I don't wanna walk around with you
So why you wanna walk around with me?
I don't wanna walk around with you
I don't wanna walk around with you alright!
I don't wanna go out with you
I don't wanna walk around with you
I don't wanna walk around with you
So why you wanna walk around with me?
I don't wanna walk around with you
I don't wanna walk around with you
