[Thurston]

Oi

Aha [repeat ten times]

My body is a pasttime  
My mind is a simple joy  
I learned my lesson  
The hardest way  
But you don't know me  
But you don't know me  
A complete inhuman  
Complete inhuman  
Complete inhuman  
Complete inhuman

My body is a past time  
My mind is a simplejoy  
I learned my lesson  
The hardest way  
But you don't know me  
But you don't know me

Complete inhuman  
Complete inhuman  
Complete inhuman  
Complete inhuman  
Inhu-inhuman  
Inhu-inhuman  
Inhuman  
Inhuman  
Inhuman  
Inhuman  
Inhuman  
Inhuman
