[Thurston]

This song this song is called

This song okay

This song is called justice is justice is might

Okay it's about it's about sonic life

It's about it's about sonic life

It's about sonic life that's right

You have a genius you have a genius and a sex maniac

Living together taking lots of drugs and and

Fucking all day and as it's just it's just it's just like

It's like it's like staying at home and risking your life

This song okay this song this song is called justice

This song is called ju

This song is called justice is might

I know it's wrong

But that is allright

As long as it's strong

It's just that it might

Justice is might
