He's not a dreamer or a schemer
Running away from me
He's not a singer an entertainer
With no follow thru
He's not a poet or a mystic
With his cigarette unglued
He's just neutral and he's weary
Not even brand new

It's a perfect sin
Close yr eyes and loose the rest
It's a perfect sin
Close yr mind and feel the best

Everyone has a headache
Imprecise hard to cure
Gotta shake it what ails you
The lines are a blur
Is it pain in her heart
Dark and gray from the start
You won't seduce me or attract me
Just cause yr a stray

It's a perfect sin
Close yr eyes and loose the rest
It's a perfect sin
Close yr mind and feel the best

Why won't you tell me what's inside yr head
Why won't you show me yr secret bed

He's not a dreamer or a schemer
Running away from you
He's not a singer an entertainer
With no follow thru
He's not a poet or a mystic
With his cigarette unglued
He's not a cowboy or a loner with nothing to do
He's neutral yeah he's weary
Not even brand new
He's neutral yeah he's weary

And he's so in love with you
