Wa wa wa wa wa wa wa  
No no no no no no no no no  
Na na na

Well we can't take her this week  
And her friends all want another speech  
Hoping for a better day to hear what she's got to say  
All about the personality crisis  
You got it while it was hot  
But now frustration and heartache is what you've got  
Talking talking talking talking personality personality

Now you're trying to be something  
Now you've got to do something  
Wanna be someone how wow wow  
You must be thinking about the times you did  
It took every ounce  
Well it sure got to be a shame  
When you start to scream and shout  
You got to contradict all those times  
You better flyin' about - it's a butterfly  
You got a personality crisis  
You got it while it was hot  
Tell us how you know  
Frustration and heartache is what you got  
Coz when i'm talking talking personality personality  
Yeh yeh yeh yeh

And you're a prima ballerina on a spring afternoon  
Change on into the wolfman  
Howling at the moon, awooooh  
Got a personality crisis  
You got it while it was hot  
So hot y'know frustration and heartache is what you got  
Talking 'bout personality  
Talking / personality  
Yeah yeah yeah

Now with all ing for some fragrant mother nature's  
sends  
Your mirror's jammed up for all your friends  
Personality everything is starting to blend all back to  
one  
Personality when your mind starts to bend  
Personality fashion of a friend  
Of a friend of a friend of a friend of a friend  
Personality wondering how celebrities ever met?  
Tell us about personality crisis you got it while it was  
hot  
He's always had frustration and heartache  
Is what you got  
Don't worry  
Personality crisis please don't cry  
Personality crisis please don't stop?  
Cause you walk with personality  
Talk with personality
