[Kim]
Met a stranger on a train
He bumped right into me
I swear I didn't mean it
I swear it wasn't meant to be
Must a been a dream
From a thousand years ago
I swear I didn't mean it
I swear it wasn't meant to be
From the bottom of my heart
He was looking all over me
Together everafter
He said
"You take me & I'll be you"
"You kill him & I'll kill her"
Kiss me
I swear it wasn't meant to be
I swear I didn't mean it
Kiss me
Kiss me in the shadow of
Kiss me in the shadow of a doubt
Kiss me
Kiss me in the shadow
Kiss me in the shadow of a doubt
It's just a dream
It's just a dream i had
Nononoooooh
Swear it's just a dream
Just a dream
Dream i've had
No
No
No
No
Take me to it
Take me to her
Maybe
Maybe it's just a dream
It's a dream
It's just a
Just a

No

Met a stranger on a train
Bumped right into me
Swear i didn't mean it
Swear it wasn't meant to be
Must've been a dream
From a thousand years ago
Kiss me
Kiss me in the shadow of a doubt
Kiss me
