Slowly, fading, to the grey zone!

Pray not to wake the mind ghosts
They root far too deep
I'll be forced to play the killcard
And unmake them!

If, you don't want the answer
Don't, ask the question
Then I'll be your shadow dancer
A dead heart's lesson

If, you don't want the answer
Don't, ask the question
Then I'll be your shadow dancer
A dead heart's lesson

The mind, may be the only freedom!

Let me now decrypt my dreams
They seem significant
Where God failed I will succeed
Find a way, out of the maze (out of the maze!)

I can see it hangin' there!
- The dagger on my wall
I know exactly what it means!
- Reminds me of my fall

Used to, set my, friends on fire!

Learned how to choke the flame
Burnin' deep in my soul
Found the golden key
To master its mechanism

You threw it all away (You threw it away!)

I can see it hangin' there!
- The dagger on my wall
I know exactly what it means!

- Reminds me of my fall

And I can see it hangin' there!

- The dagger on my wall

I know exactly what it means!

Reminds me of my fall...

The coin, is still turning

The coin, is still turning!

The coin is still turning (The coin...)

Backstabbed or liberated (...is still turning)

The coin is still turning (The coin...)

To backstab or liberate (...is still turning)

The coin, is still turning...

The coin, is still turning...

The coin, is still turning...
