Whenever I am not around
I think about you day and night
I wish at a shooting star aloud
That I could hold you nice and tight

When I go I see you cry
It makes me want to stay longer
Now all I can do is be stronger
Baby I'm so glad your mine

Pre-Chorus
Every time I walk through that door
I see a smile on your face
You are mine and I am yours
I got nothing more to say

Chorus
Baby don't cry Â-y Â- y
You know that you are mine
Don't worry it will be okay Â-ay
I got you in my arms
Baby don't cry Â-y Â- y
You know that you are mine
Don't worry it will be okay Â-ay
I'll give you more time
Oh - oh
Oh-oh-oh-oh
Baby don't cry- y- y
Oh-oh
Baby don't cry Â-y Â-y

When I go I'll be right back
When I come to see you again
You can come and sit on my lap
And we got so much to gain

I will never leave your side
I'll always be your favourite guy
My love flows like it's high tide
Baby you gonna be just fine

(Chorus X2)
