1997, suburbia soundtrack, geffen

[kim]
In my head
Head
I'm really tall
My eyes are big
Not small
Hair flows down
My back
Down the street
Don't look back

In my heart
Heart
I'm a star
Bigger then
Your guitar
Wish I may
Wish I might
Be with you
Tonight

In my eye
Eye
I'm really shocked
I'm not
A cul-de-sac

In my heart
Your the star
Looking for
A candy car
Wish I may
Wish I might
Come undone
Just for fun

I was wondering if you ever
Think of me maybe
If you want me tell me in honest
I will meet you maybe

In my eye
Eye
I really shocked
I'm not
A last resort
Daylight breaks
An ugly site
It's me
Is that right?

I wish
I might
Come undone
Just for fun

I was wondering if you ever
Think of me maybe
If you want me tell me in honest
I will meet you maybe

I was wondering if you ever
Think of me maybe
If you want me tell me in honest
I will meet you maybe
