Collage of (She's In A) Bad Mood, Confusion is Next,  
Shaking Hell,  
The World Looks Red, and Burning Spear.

[(She's In A) Bad Mood]

She's in a bad mood  
But I won't fall for it  
I believe all her lies  
But I can't fall for it

She's in a bad mood  
But i won't fall for it  
I believe all her lies  
But i can't fall for it

[Confusion Is Next]

I maintain that  
Chaos is the future  
And beyond it is freedom  
Confusion is next and next after that is the truth  
You gotta cultivate what you need to need  
Sonic tooth  
Sonic tooth  
Sonic tooth

Stick your fingers  
In your mouth  
Squeeze your tongue  
And wrench it out  
From its ugly fucking cancer  
Its ugly fucking cancer  
Root  
You gotta cultivate what you need to need  
Sonic tooth  
Sonic tooth  
Sonic tooth

Chaos is the future  
And beyond it is freedom  
Confusion is next and next after that is the truth  
You gotta cultivate what you need to need

Sonic tooth  
Sonic tooth  
Sonic tooth  
Sonic tooth

Stick your fingers  
In your mouth  
Squeeze your tongue  
And wrench it out  
From its ugly fucking cancer  
Its ugly fucking cancer  
Root  
You gotta cultivate what you need to need  
Sonic tooth  
Sonic tooth  
Sonic tooth  
Sonic tooth

Tell nothing but the truth

[Shaking Hell]  
She's finally discovered she's a...  
He told her so  
She's finally discovered she's a...  
He told her so  
She's finally discovered she's a...  
He told her so

Come closer and I'll tell you  
Come closer and I'll tell you  
Come closer and I'll take off your dress

I'll take off your dress  
I'll shake off your flesh  
I'll shake off your flesh  
I'll shake off your flesh

Shake off your flesh  
Shake off your flesh

Turn around  
Turn around  
Turn around

Shake  
Shake  
Shake  
Shake  
Shake  
Shake  
Shake

Shake  
Shake  
Shake

Shake off your flesh  
Shake off your flesh  
Shake off your flesh  
Shake off your flesh

Shake shake  
[repeat eighteen times]

Shake

[The World Looks Red]  
Push it away  
The world looks red  
People with fish eyes  
The ground sucks  
Walk on my fingertips  
Displacing the fog  
The weight of my body  
is too much to bear  
The memory drained  
the life from the dull  
An ocean of insects  
worked like a sheet  
the immovable fact  
Buried my mind  
in a horse-hair coat  
in a pile  
on the floor

Push it away  
The world looks red  
People with fish eyes  
The ground sucks  
Walk on my fingertips  
Displacing the fog  
The weight of my body  
Is too much to bear  
The memory drained  
The life from the doll  
The ocean of insects  
Moved like a sheet  
The immovable fact  
Buried my mind  
In a horsehair coat  
In a pile  
On the floor

[The Burning Spear]  
I'm not afraid to say I'm scared  
In my bed I'm deep in prayer  
I trust the speed I love the fear  
The music comes  
The burning spear
