[thurston]

(God)

Jack around my yeah (?)

And hear every whisper

The words of the (?)

The words of laughter

The rise of the mayonaise

Go dressing your hairdress

Kissing the lovers

Kissing the bible

Hallowed be thy name

Now we have fathers

Screaming at mothers

Hallowed be thy name

Come all you sinners

Now I look worried

My little essay

To you during stories

You're ready to go off

Is there any waiter

Kissing the lovers

Kissing the bible

Hallowed be thy name

Now we have fathers

Screaming at mothers

Hallowed be thy name

Sons and their daughters

Are taking your money

The queens are a bad dream

But now they're not funny

The psychos are walking

Away with you sonny

Kissing the lovers

Kissing the bible

Hallowed be thy name

Yelling at fathers

Screaming at mothers

Hallowed be thy name
