[thurston]

Oi

Aha [repeat ten times]

My body is a pasttime
My mind is a simple joy
I learned my lesson
The hardest way
But you don't know me
But you don't know me
A complete inhuman
Complete inhuman
Complete inhuman
Complete inhuman

My body is a past time
My mind is a simplejoy
I learned my lesson
The hardest way
But you don't know me
But you don't know me

Complete inhuman
Complete inhuman
Complete inhuman
Complete inhuman
Inhu-inhuman
Inhu-inhuman
Inhuman
Inhuman
Inhuman
Inhuman
Inhuman
Inhuman
