[thurston]

Ready? go, 1,2,3,4

[kim deal] [kim gordon]

If you want me to

I will be the one

That is always good

And you'll love me too

But you'll never know

What I feel inside

That I'm really bad

Little trouble girl

Remember mother?

We were close

Very, very close

Sha la la you taught me how to fit it good

Sha la la flow down life you understood

Sha la la curl my hair and eye lash

Sha la la hitch my cheeks and do my lips

Sha la la swing my hips just like you

Sha la la smile and behave

Sha la la a circle of perfection, it's what you gave

Sha la la then one day I met a guy

He stole my heart, no alibi

Sha la la he said: "romance is a ticket to paradise"

Sha la la momma, I'm not too young to try

Sha la la we kissed, we hugged, we were close

Very, very close

Sha la la we danced in the sand

And the water rose - higher and higher

Sha la la until I found myself floating - in the sky

I'm sorry mother, I'd rather fight

Than have to lie

If you want me to

I will be the one

That is always good

And you'll love me too

But you'll never know

What I feel inside

That I'm really bad

Little trouble girl

Little trouble girl (what you doin'?)

Little trouble girl cross my heart and hope to die,
Little trouble girl I can not tell a lie
Little trouble girl ah-hu
Little trouble girl ah-hu
Little trouble girl ah-hu
Little trouble girl ah-hu
Little trouble girl ah-hu
Little trouble girl ah-hu
Little trouble girl ah-hu
Little trouble girl ah-hu
